

Maricopa County
Animal Care and Control

Get Your Pet Neutered or Spayed in your community!

These events are First Come, First Served.

Maricopa County Animal Care & Control's Neuter Scooter is coming to an area near you! Pet owners will be able to have their pets spayed or neutered for at low-cost. Vaccinations and other services may also be available for a fee. For details please see our calendar of events at pets.maricopa.gov or call 602-506-PETS.

The Maricopa County Neuter Scooter and Anti-Cruelty Response Unit is a self-contained surgical unit that offers spay neuter surgeries, low-cost vaccine clinics, and other medical services for Maricopa County residents who are in need. It also serves as AC&C's response unit in cases of animal cruelty and neglect.

Here's What You Need To Know To Obtain This Service:

- ◆ Service is limited and is "first-come, first-served". Intake will begin no later than 7:00am. Please be aware that the line begins may form very early, sometimes well before the intake time. **(To increase chances of having a space-arrive between 6-6:30 am)**
- ◆ Do not feed your animal after 10 p.m. the night before.
- ◆ All cats must be in carriers – only one cat per carrier. All dogs must be on leash.
- ◆ All animals must be in good health. Cats must be at least 2 lbs. Dogs must be 4 lbs. or 4 months old.
- ◆ Animals over 7 years of age will not be accepted.
- ◆ No hernias or chryptorchids will be accepted. Both testicles must be evident in males.
- ◆ All dogs must have a current license. Licenses can be purchased on site.
- ◆ The legal owner, who must be at least 18 years old, must bring in animals.
- ◆ Only members of the public and their own pets are accepted for this service. No rescue groups, breeders, foster homes, or feral cats will be accepted at this event.
- ◆ Additional medical services will be available for a fee, including vaccinations for \$10.
- ◆ Animals will be ready to be picked up the same day.
- ◆ Donations of money, pet food, bedding, and supplies are gladly accepted.

DID YOU KNOW?

Neutering keeps your pet healthy by preventing many diseases.

Neutering helps to keep your pet closer to home since he won't have the urge to wander.

Neutering will assure that no more unwanted animals are born.

Neutering your pet helps prevent him from spraying and marking his territory.

Neutering helps prevent many other behavior problems.
